Scarecrow Festival Cancelled This Year

After a lot of scrutiny and careful consideration we have decided to postpone the Scarecrow festival for this year. With our concerns about the economy, families spending less money on entertainment, and less staff available it was decided that the festival should be cancelled this year and we will do a review to see about the future of our event next year. Please notify anyone that you have contacted to help or is involved in the festival. This would include dance groups, family members, friends, volunteers, and board members etc. We appreciate your willingness to serve and help. Many of you had already started to ramp up for the festival. If you have any questions please call me at your convenience. Jim McMaster

Parent Retreat

For this year's parent retreat we'll be staying at Tanners Flat campground below the world famous resort, Snowbird, located in Little Cottonwood Canyon just outside of Salt Lake City. We will enjoy an evening that begins with a delicious dinner followed by games and activities directed by our Recreation Therapy staff. We will conclude our evening with some campfire activities and then those that would like to camp out can pitch a tent or there are plenty of hotels within minutes of driving (Snowbird is 5 minutes away and there are numerous hotels just outside of the canyon). We will begin our morning with a hot breakfast, guaranteed to fill the biggest appetite and then we will head up the canyon to Snowbird resort. Once at snowbird we will be boarding their Ariel tram which will take us from the resort's base up 2,900 feet to Hidden Peak at 11,000 feet. After which we will ride back down the mountain on an open air ski lift. This will be a perfect time to enjoy the autumn colors that Little Cottonwood Canyon is so famous for. Remember that it will be cool and because we will be in the mountains you'll want to dress warmly. After the Tram ride we will conclude the retreat by having lunch at Tanner's Flat Campground and we will wish you farewell until the next retreat.

14th and 15th – Lori and John

15th and 16th – Mike, Jacob, Jim, and Rachel

16th and 17th – Amy, Eric and Jeff

You should receive a letter in the mail with more details about the retreat, please RSVP your therapist so that we can get a count for food.
